

January 4, 2022

To Whom it may concern,

We would like to update you on our COVID weekly testing. As of 12/30/2021, we received notice from our lab of a positive test result. With the guidance of CDPH, we have now increased our weekly testing to Two times a week. We will be testing Tuesday and Thursday on all who have not tested positive in the facility as directed by the California Department of Public Health. Our staff continues to monitor each resident every shift for any signs or symptoms of Covid-19 and intervene as directed by the physicians.

As always we are striving to provide the best and safest care for our residents and we appreciate your understanding during this difficult time. If you have any questions, Please feel free to contact the facility or Ronald Reyes @ [rreyes@linkshealth.com](mailto:rreyes@linkshealth.com).

We will continue to update you with any new information.

Thank you for your continued support and understanding.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald Reyes", with a long horizontal line extending to the right.

Ronald Reyes  
Administrator

A handwritten signature in black ink, appearing to read "Emerlinda Sambo", with a circular flourish around the name.

Emerlinda Sambo  
Director of Nursing
